TO: KOA Radio 850AM News Department, the TOKYO ROSE OF DENVER
FROM: Jan Williams, Communications Director

Your radio station will no longer receive any news releases from BOYCOTT COLORADO, INC. You will please refrain from contacting anyone in our organization. You will not be notified of news conferences and we would appreciate it if you would not attend them if you do become aware of them.

Your stations' allowing Mike Rosen and Steve Kelly to incite hatred towards gays and lesbians and to promote a climate of intolerance and bigotry is irresponsible.

Mr. Kelly's not-so-funny joke about "the White House now says we're looking for a few good gays" today was the last straw. He obviously has no respect for the large numbers of gay men and lesbians who have served in the past in the armed forces of the United States (as have members of the board of BOYCOTT COLORADO, INC.) and who are serving honorably today.

A handwritten signature in dark ink, appearing to be "Jan Williams". The signature is fluid and cursive, with a large loop at the end.
